MEMORANDUM FOR: The Director

SUBJECT : The Fund for Peace Seminar

1. Per our conversations at several recent Executive Committee meetings, the attached invitation arrived today in an envelope, a xerox copy of which is also appended. This is clearly a form letter with my name and address typed in with a different typewriter from that used for the basic text.

2. I suspect several of our colleagues received or will be receiving similar invitations. Obviously, I do not plan to go; but it would be interesting to learn how many of us were invited.
